PETITION TO CORRECT DOMESTIC PRIORITY DATA

SEP 27 2002

Dear Sir:

It has come to Applicant's attention that the Non-Provisional Patent Application Filing Receipt has an incorrect serial number in the "Domestic Priority Data" relative to the above-referenced Application.

The transmittal letter for the filing of the non-provisional Patent Application indicated in error that the Application claimed benefits to provisional application serial no. "60/295,207 06/01/2001".

Please change the Domestic Priority Data as Claimed by Applicant from 60/295,207 06/01/2001" to --60/341,571 12/17/2001--, as indicated on the attached copy of the provisional filing receipt that the non-provisional application claims priority.

RECEIVED
SEP -9 2002
TECHNOLOGY CENTER 2800

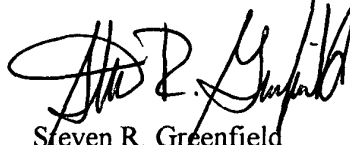

Given the above facts and prior submissions, Applicant respectfully requests that the priority date information for the above-referenced Application be changed to **60/341,571 12/17/2001**.

Applicant requests that a corrected Filing Receipt be issued and sent to Applicant's attorney of record.

Enclosed is our check for this requested change in the amount of \$40.00.

Respectfully submitted,

JENKENS & GILCHRIST, P.C.
